shop front folding arm awning
over the long balcony

At Melbourne Shade Systems we specialise in custom designed awnings for Coffee Shops & Restaurants. Increase the number of your customers by providing the best protection from the elements. Offer a pleasant break for your customers to enjoy the outdoors even on a rainy day.

Inspect our big range of Clear PVC - Bistro Blinds in various operational systems available with combination of an overhead awning in fixed frame or retractable option.

Clear PVC we use is the superior quality 0.75mm thick fabric with a manufacturer's warranty. Also available in tinted - Smoke colour or combined with the PVC coated fabric in many colours to choose from. Add to the style with custom sign writing on your awnings.
