The blind can be easily pushed up or down. It will stay at whatever position you require.

The blind can be locked in the down position to guard against high winds.

Extrusions are manufactured from high-quality aluminium and are powder coated to choice of colour.

Slidetrack® mesh or pvc blinds

made to measure

a fantastic system when you want a better sealed area - on verandahs, cafes or outdoor eating areas.

easy to operate spring loaded pull-down, motorized or crank operation systems

Slidetrack®

choose between mesh screen fabric and acrylic canvas for screening or clear and tinted quality PVC for wind & rain protection
