

NEO by Helioscreen

RETRACTABLE AWNING SYSTEM

The Neo by Helioscreen is the ultimate awning for convenience, protection, and affordability.

Simply press the remote control for smooth, effortless operation to protect you and your family from the elements.

Available in an extensive range of sizes, colours and fabric, it's the perfect awning to complement any building.

Neo is a stand out system that combines quality materials and proven technology.

When retracted back the fabric is protected against the elements by a colour-matched aluminium hood (optional).
